Dear Maria,

Academy Editions in London are publishing a book on David's work this Summer and we have been sorting out the images to be included. Academy have asked me to sort out all the photo credits.

Could you please tell me the exact title of David's magazine in Viafarini in Viafarini and the name and the address of the photographer who took the transparencies you sent me.

It is grateful if you could send this information as quickly as possible.

With my kindest regards to you and your family.

Yours faithfully,

David

Dear Lesley,

thank for your fax.

Yes, I'm working hard but Viafarini is doing interesting things, so I'm satisfied (sometimes!).

The title of David's installation was
"Going down"
Viafarini-Milano

The photographer:
Andrea Martiradonna
Via Bergamini 1 Milano tel 02 58305685

Would be possible to have a book when published? I would appreciate.
One month ago I contacted Editoriale Domus about the idea of an installation there, but unfortunately is a "no" even for this year.

Say my best to David, lookink forward to see you soon,

Patrizia Brusarosco

Dear Patrizia,

Thank you for the fax which you sent a month ago asking about the book on David's work. I'm sorry we haven't replied earlier but Academy Editions, the publisher, have just changed the company who distribute their books for them.

I am afraid that because Newlyn Art Gallery received a grant to help pay for this book they hold joint copyright with Academy Editions which means that we were only given five copies of the book and no money. We now have to buy any other copies we want.

I think the easiest way for you to get a copy will be to contact:

Best wishes,
