RE: MARTIN MARGIELA PRESS RELATIONS & PUBLICITY: ITALY.

We write further to our consideration of your proposition to collaborate with us on our press relations in Italy.

We are currently examining and redefining our press requirements internationally.

Ms Vicky Reditis remains our sole representative and team member in Italy. Ms Reditis will certainly be the first to be informed of all eventual decisions to improve our service for the press there.

We plan to keep you informed of any developments that arise from this process.

We thank you for the interest you have shown and remain,
yours sincerely,

Jenny Mierens.
