Dear Patrizia

I hope you are well and happy. Just a quick letter to ask if you have any images from my show you could send to me, for my own records and so I can write to the British Council giving them a report on how things went. Also could I get the DVD's returned? Maybe Milovan is responsible for that, I don't know, but there are six in all (two copies of each). Thank you again for a great experience, I have had a lot of feedback and interest since the exhibition. I met with Paola from Monitor Gallery, Rome, when she was in London last week and have been contacted by other curators from Italy too. It seems that if you show at Viafarini people take notice! Take care, yours Tobias
