

Are you sleeping?
No, why?
You look so tired.
No, not at all.
You can sleep here tonight.
Mhm/hmmm, fair enough, but...
What?
I'm not a Cowboy.
You still behave like a brave guy.
Come to the fire.
That's easy to say, but..
Come on!
Hmhm.... I'm hungry!
Stop it and let's get some sleep.

Cookies... I like to eat Cookies... Hey!
What?
I'm not a Cowboy.
Leave it alone, I like it.
Is that so?
Why? What?
You're not a Cowboy?
Stop it and let's get some sleep.

Hey....hey...
What?
Is that true?
Why? What?
You're not a Cowboy?
What do I know...
I don't know myself...
Who the devil knows!
You little rascal!
Stop it and let's get some sleep.
Are you sleeping?
No, why?
As far as your decency is concerned, you can depend on me as I depend upon you.
Who else then I say.
That would be ridiculous, hahahaha...
Hahahaha...
Nice guy! A good friend?
The best!
A good friend on one side...
...and a good friend on the other side.
A good friend on one side...
...and a good friend on the other side.... That would be something!
Why, what?
A good friend from Silvercity!
Who the devil knows!
Do you remember?
Don't wanna hear anything!
It was in Silvercity...
Silvercity is far away!
Hmhmhm, Silvercity is far away
Are you sleeping?... Well, there was somebody with me tonight, I still know him from Silvercity, when we where kids. I don't know myself. Nothing like that ever happened in my life before.Yes..., back then in Silvercity.

Yeah, and if you experience that at 12 years of age, you don't get on the right track so easily anymore.

Yes..., back then in Silvercity.

You haven't changed at all. Do you remember? It was in Silvercity. Do you remember?

Silvercity is far away!

Hh, yes..., Silvercity is far away.

Yes..., back then in Silvercity.

I don't know. I'm still as ugly as back then.

Got that one right!

Nice guy! Take off your hat.

Come on, I like it.

Is it good?

Yes. Very good.

Stop it and let's get some sleep.

Are you sleeping?

Do you remember?

Don't wanna hear anything!
