Diego Gutierrez sent me the following facsimile of a drawing.

Will you please:

1. Communicate to me by surface mail, facsimile message, E-mail, or other means, what it is?

2. Pass this request, along with some reproduction of the drawing, to at least five other people?

I feel that it is urgent that I receive sincere answers from as many people as possible; therefore please remember that not everyone has equal access to the same methods of communication.

Thank you for your time and solidarity.
