

Milan, November 30, 2011

To whom it may concern,

On behalf of Viafarini, Organization for Contemporary Art, I hereby declare that our curatorial board has received the application submitted by artist Václav Litvan for a residency period to be spent in Milan between 1<sup>st</sup> June until 31<sup>th</sup> July 2012, in our residency structure VIR Viafarini-in-residence.

We want you to know that we consider Václav's project interesting and deserving also considering its relevancy to the subject matter of our residency program. In case you decide to award Mr. Litvan with your prestigious grant and/or sponsorship we would be pleased to give him the opportunity to accomplish his project in Milan, providing him with the right to live and work in our structure.

During her stay in our residency Václav Litvan will have the opportunity to exhibit his work in a Public Event. The artist will get in contact with the Italian and Milanese artistic and cultural scenario by receiving studio visits from critics, curators and art professionals.

Therefore we kindly ask you to consider Václav Litvan as a valuable beneficiary of your grant,

In faith,  
Patrizia Brusarosco  
Director of Viafarini
