

Cara Angela,

come d'accordo con Gianni, che ti dice "sicuramente interessata" alla tua idea (!!) ti mando una bozza di invito per Tobias Rehberger che tu potresti correggere e rifaxarmi.

Dear Tobias,

.....(convenevoli?)

I am writing to make a proposal to you: upon my suggestion, Viafarini in Milan would be interested in doing a project with you. Viafarini is a non-profit space, ideal for site-specific installations. It recently put up exhibitions with Mona Hatoum, Asta Gröting, Jimmie Durham, Vito Acconci and Rosemarie Trockel, whereby each project was produced here in Italy and the artists worked with "Italian" materials they liked. To finance the productions, Viafarini collaborates with sponsors, collectors or even commercial galleries.

I consider this an interesting opportunity, since Viafarini is wellknown in Italy for its activities and it is a "neutral" place.

I would be happy to curate your project....

Do you think you could be doing something next year?

Milano, 17 december 1999

Dear Tobias Rehberger,

I am writing up on the suggestion of Angela Vettese to make you a proposal: we would be interested in doing a project with you. Viafarini in Milan is a non-profit space, ideal for site-specific installations. It recently put up exhibitions with Mona Hatoum, Asta Gröting, Jimmie Durham, Vito Acconci and Rosemarie Trockel, whereby each project was produced here in Italy and the artists worked with "Italian" materials they liked. To finance the productions, Viafarini collaborates with sponsors, collectors or even commercial galleries.

Viafarini is wellknown in Italy for its activities and it is a "neutral" place. I can send you more materials about Viafarini.

Do you think we, together with Angela, could do something? Do you have plans to be in Milan? Should Last not least, have you upcoming plans with Giò Marconi?

Sincerely,

Patrizia Brusarosco

Milano, 10 genuity 2001

Dear Tobias,

How are you doing? How was your first of the 2001?

We are back to our job, the first yes is by Paolo Rossi (football) and next week I'm waiting answer from Caterina Caselli, Susanna Tamaro, Gianni De Michelis, Moser (cyclist).
Looking for address od Alberto Fortis, Mago Silvan, Nicola Di Bari, Roberta Capua o Federica Moro.

Here enclosed two samples from Yasmin: what do you think? I will ask for a sample in wool.

Bye for now,

Patrizia

P.S. I confirm the date of 19 april for the show

FRI. 14. 1. 00

DEAR PATRIZIA,
THANK YOU FOR YOUR LETTER.
I THINK WE COULD OF COURSE DO
SOMETHING. I WILL HAVE A SHOW WITH
GIO IN SEPTEMBER. SO I WILL BE
IN MILAN THEN. WHAT TIME SPAN
HAVE YOU THOUGHT OF?

DO YOU THINK IT WOULD BE OK IF
WE MEET IN SEPTEMBER?

LET ME PLEASE KNOW.

AND SAY HALLO WITH LOTS OF
KISSES TO ANGEA.

BEST,

TUDIAS REHBERGER

Milano, 20 January 2000

Dear Tobias,

Thank you for your fax.

After it, I spoke with Angela and Giò and we considered the possibility to do two shows of you together, in order to do a big project in october in Milan. But this depends on you and on your work!

Regarding possible materials to work with, I have two friends that could collaborate: one produces technical fabrics (fabrics with plastic) and also poliuretano/foamrubber. This is a big company with innovative products. The other one has a knitted textile laboratory (all fibres can be knitted and with the possibility of developing jacquard and also three dimensional structured garments); she also is a designer in the fashion business and creates dresses and knitware.

The two friends already collaborate with each other!!!
I think you would appreciate what they do.

The space of Viafarini is suitable for installations, I fax you a plan and a photo.

In any case, if we want to do something we should meet.
What do you think?

Patrizia

P.S. Could you inform your gallery in Germany about our intentions?
