

CORVETTO-NZSD

Net Zero Sustainable Development

June, Sunday 12 - Tuesday 14, 2022

Viafarini.work, via Marco d'Agrate 33, Milan

con il patrocinio di

Workshop where practitioner architects, local socio cultural organizations, artists, creatives and students imagine co-working and co-living solutions for the space in Corvetto, listening and documenting the context. A three days exchange of good practices, in which imagination and integration of needs, building intervention, functions and activities are worked out together.
